

Fall Sosneni

Czech Classic Car Club holds on 25th and 26th of September 2010 competition of classic cars as regularity race on the circuit Sosnova

Programme of the event:

- 1) Free practice in groups (according to the starting numbers)
the whole Saturday 25.9. and Sunday 26.9. morning
cars will start in intervals, max. 15 cars in every group

Participation without confirmation of advance registration is not possible !!

- 2) Practice with time measurement
Sunday 26.9. afternoon
cars will be started in intervals cca. 10s, max. 3 cars on track
formula and racing cars - time will be measured during a common ride
- 3) Race "Le Mans" on Saturday 25.9.2010
starting procedure inspired by the famous 24 Hours Le Mans; drivers stand opposite to cars and after starting signal run to the cars, start them and rush on the track
cars to this race are nominated by the organizer of the event

After the deadline for entry applications the organizer will sort cars into groups.
Formula and other special racing cars will form a separate group.

Only cars in good mechanical condition will be allowed on track.
If car does not pass the technical check, organizer will not allow the car to enter the track.

Every driver and passenger has to sign and hand over during the registration a form with declaration about full responsibility for eventual damages.

Programme will be further improved during the preparation phase of the event.

On Friday 24.9. evening first participants and guests may arrive to the Lobec house (previous arrangement of accommodation and dinner is necessary). We will departure to the Sosnova circuit on Saturday morning.

Refreshment will be available during the whole event on the circuit !!
There will be also a tent at hand for gathering.
